Уважаемые ученики и их родители, а также коллеги учителя!

Данное пособие является логическим продолжением сборников, составленных к серии УМК English World педагогами ЧОУ СОШ «Ломоносовская школа». При изучении новой лексики особое внимание уделяется развитию долговременной памяти учащихся. Так же как и в предыдущих пособиях, первый раздел посвящён словарю, который разбит соответственно страницам учебника. В соответствии с разделами книги разделён и словарь, начиная с Unit 1 и заканчивая Unit 12. В большинстве случаев страницы, которые соответствуют текстам в учебнике, разделены на две части. В словаре представлены словообразовательные элементы, фразовые глаголы или устойчивые словосочетания. Во второй части вы также будете иметь возможность постранично отработать предложенную в словаре лексику. Алгоритм упражнений построен по принципу от простого к сложному. Есть упражнения как для медленно запоминающих учеников, так и для тех, кто имеет хорошую память. Уровень А предполагает начальную работу со словами. Уровень В–С включает сложные задания – по заполнению пропусков только одним подходящим словом. Надеемся, что работа со сборником принесёт вам как удовольствие, так и пользу.

С уважением, педагоги ЧОУ СОШ «Ломоносовская школа»
