

1990s

I'm going to tell
about how life
was different in
1990s and
compare how we
live now

1990s

Cassettes

Nbw to listen to music we need to turn on the phone and listen to music on it, but in 1990 people used cassettes for listening to music

Computers

In 1990, people used computers that were much larger than they are now

Phones

In the 1990s, people used button phones, now all people use touch phones

Clothes

in 1990s, they wore very bright clothes, but now people wear simple and comfortable clothes

Games

In the 1990s, there were no games on phones, so people played other games. For example Tamagotchi and tetris

Many changes
happened during
these years.

There are many
devices nowadays.
They help us every
day and our lives
became more
comfortable.
