

This is a world famous fairy tale about Princess Snow White, her treacherous stepmother her friends dwarfs and the handsome prince. The text of the tale is specifically adapted for the youngest readers who are just getting familiar with the English language. I read my first EVER book in English!

**BIRDS**  
On winter holiday I read a book it is called "Birds". The writer is Mark Ormerod. I learned interesting facts about birds. I read about storks, woodpeckers, puffins, ostriches, owls and parrots. It is interesting that puffins can swim underwater. Owls sleep in the day. They fly at night. A mother ostrich has got brown feathers. A father ostrich has got black and white feathers. It is a very interesting book for me because I like birds.

Jump, Jump  
Do you love traditional stories? Do you love fairy tales? Then this book is for you. "Jump, Jump" is a traditional tale adapted by Gill Aitken. This book is about a man called Tom. His family is very poor, they don't have much of food. But Tom is kind and helpful person. Tom helps an old man. The old man was a musician. He gave Tom special presents to return. But Tom is robbed. The musician helps Tom to return his wife and teaches a trick well with a stick. I also liked that I read this book because it gave me a chance to learn lots of new English words and read in English this story. I think this book would help children to be honest and grateful. Boys and girls who are 6-10 years old would like this book because it teaches about trying to be kind and brave. This book is great! I also really appreciate the illustrations. They are excellent!
