## Three teenagers talk about their hobbies

### Adam

I don't spend a lot of time watching TV, but I do have some favourite TV shows. One of them is *The Great British Bake Off*. I never miss it! It's a baking competition and baking is my favourite hobby. I love it when my favourite person wins! I often get ideas from the show and I've made some amazing cakes. My mum says she's really lucky to have a son who is better at making cakes than her!

### Brian

I've been to four countries. During the summer, my family and I love travelling to foreign countries. My parents spend months planning our holiday. We usually take the ferry to France and then drive through Europe. Every day, we explore the countryside or visit the sights in a city, and at night we stay at a campsite. My favourite country is Spain because I love swimming and the beaches there are the best I've ever seen. I love travelling!

### Sam

My friends like video games, talking to their friends online and online shopping, but I don't. I prefer to be outdoors playing sport. It's fun to join a club and play in competitions. That's why I'm a member of a tennis club. Sometimes, I win! When I'm not playing tennis, I go to the cinema with my friends or to a stadium to watch a football match. It's really fun when the match is exciting and our team wins, but it isn't so great when they lose!
